How to design youtube thumbnail that attract viewers

Make sure have an eye-catching visual

To make it easier and faster to look at or manage a group of large image

I want something use high quality image you tube thumbnail

I want to focus on fonts, colours and logo

video thumbnail let your audience view a quick snapshot of your video

The thumbnail and title is the most important part of someone's video. In the words of the most popular YouTube on the platform "if they don't click, they don't watch."

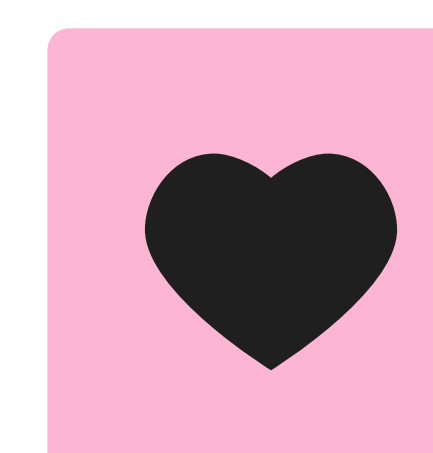

Thumbnail was very exciting for us because it's very interesting to do.

Sometimes we are very confused because what to do next but Canva is helping us.

Thumbnail is a clickable, visual icon that represents the content of a YouTube video.

Users were curious in this project because many ideas for us
